Ingredientes

20ml Gallo Extra Virgin Reserve

- 2 tablespoons of oil
- 2 tablespoons of corn
- 20gr honey

1

Start by putting the corn at the bottom of a pan, without overlapping.

2

Drizzle with the oil and bring to low heat, with the lid on.

3

When the corn starts to crackle, shake the pan, always with the lid on, for the corn to cook.

4

Turn off the heat and leave the lid on until the corn stops crackling.

5

Heat the honey, together with the olive oil, in the microwave for 30 seconds and pour it in a large bowl.

6

Add the popcorn to the previous mix and mix together.

7

Then, drizzle the popcorn with a dash of olive oil.

Dicas do Chef

If you prefer a savoury alternative, season the popcorn with the olive oil and freshly ground pepper.
